Authenticity

All assessed work is expected to be your own. Teachers may question students if there is doubt regarding an assessment. Copying or presenting work that is not yours will result in credits not being awarded.

Pre Requisites for Level 3 Home Economics in 2020

Students will need to have a minimum of 15 credits.

HOW TO ACHIEVE IN FOOD AND NUTRITION

➤ **What can I do?**

- Attend class regularly
- Get to class on time
- Bring required equipment to class
- Become familiar with the course outline
- Keep a diary of due dates for assessment activities
- Organise work in folders
- Work honestly, putting every effort into your work
- Be open to receiving guidance and direction from your teacher
- Ask for help if you need it
- Do revision regularly (minimum 5 days a week for 30 minutes each day)

➤ **Homework Expectations**

- Homework is an extension of your learning in class
- It involves completing activities began in class
- It involves reading over material given in class for clarification and understanding
- Homework is a process of consolidating learning and it allows us to learn at our own pace
- Get into the habit early in the year of completing homework
- Highlight or make notes about what you don't understand so you can ask your teacher at the next opportunity.

➤ **Parents/Family Members/Caregivers can support your learning by:**

- Providing opportunities for you to do your homework and revision
- Asking about your work and offering help
- Checking due dates for work completion and helping you plan your time
- Providing feedback on your work
- Believing you are capable and encouraging your efforts
- Determining what is a sensible and realistic amount of revision and homework.
