# HOW TO ACHIEVE IN FOOD AND NUTRITION

## ➤ **What can I do?**

- Attend class regularly
- Get to class on time
- Bring required equipment to class
- Become familiar with the course outline
- Keep a diary of due dates for assessment activities
- Organise work in folders
- Work honestly, putting every effort into your work
- Be open to receiving guidance and direction from your teacher
- Ask for help if you need it
- Do revision regularly (minimum 5 days a week for 30 minutes each day)

## ➤ **Homework Expectations**

- Homework is an extension of your learning in class
- It involves completing activities began in class
- It involves reading over material given in class for clarification and understanding
- Homework is a process of consolidating learning and it allows us to learn at our own pace
- Get into the habit early in the year of completing homework
- Highlight or make notes about what you don't understand so you can ask your teacher at the next opportunity.

## ➤ **Parents/Family Members/Caregivers can support your learning by:**

- Providing opportunities for you to do your homework and revision
- Asking about your work and offering help
- Checking due dates for work completion and helping you plan your time
- Providing feedback on your work
- Believing you are capable and encouraging your efforts
- Determining what is a sensible and realistic amount of revision and homework.
